Re: Cambridge Electric Light Company, D.T.E. 05-45
Corrected Compliance Tariff

Dear Ms. Cottrell:

On behalf of Cambridge Electric Light Company d/b/a NSTAR Electric, please find attached a corrected version, in clean and red-lined formats, of M.D.T.E. 224E (Rate R-5), which was filed originally on July 1, 2005, in compliance with the Department of Telecommunications and Energy's June 30, 2005 order in the above-referenced proceeding. The attached tariff corrects a typographical error in the header of the July 1, 2005 version of the document that resulted in the tariff number being referenced improperly as "M.D.T.E. 22E," rather than "M.D.T.E. 224E." Please note that the attached corrected tariff is otherwise the same as the original version of the tariff filed on July 1, 2005.

Thank you for your attention to this matter.

Very truly yours,

David S. Rosenzweig

OPTIONAL RESIDENTIAL TIME-OF-USE

RATE R-5

AVAILABILITY

Upon written application, this rate is available for all domestic uses in a single private dwelling, in an individual apartment or in a residential condominium in which the principal means of heating the premises is not provided by permanently installed electric space heating equipment. Service under this rate to residential condominiums is available to the extent permitted by applicable regulations of the Massachusetts Department of Telecommunications and Energy. Service under this rate is subject to both the Company's printed requirements and the Company's Terms and Conditions - Distribution Service, each as in effect from time to time.

CHARACTER OF SERVICE

The Company delivers 60 hertz, alternating current service at secondary voltages under this rate schedule. As available and at the Company's option, such service shall be single phase at approximately 120/240 or 120/208 volts.

RATE PER MONTH

Delivery Services:

Customer Charge:	\$10.47 per month
Distribution:	
Peak Load Period	9.264 cents per kilowatt-hour
Low Load Period	1.081 cents per kilowatt-hour
